

Travel and medical insurance for students under 18 Parental/Guardian voluntary opt-out

I understand that Rose of York Language School requires the parent(s)/guardian(s) of all students under 18 traveling alone to obtain travel and medical insurance for their child/ward before the child's departure from their home country. I understand that Rose of York Language School strongly advises that parent(s)/Guardian(s) of all students under 18 traveling with a parent/guardian to obtain travel and medical insurance for their child/ward before departure.

Insurance must be valid for the child's travel to the UK, the full duration of their stay in the UK and their journey home. Proof of insurance must be sent to the school before the child's departure from their home country. The child must bring a copy with them when they travel to the UK.

I agree that as the child's parent/guardian I was asked to obtain insurance for my child/ward and have chosen not to do so, as I am traveling with my child/ward during their travel to and from the UK and their stay in the UK.

I take full responsibility for any consequences that may arise from this decision.
